EDUCATION CENTER

# Lane's Economic Impact

**Lane Community College isn't just an educational institution, but a pillar of the local economy.**

- An associate degree recipient from Lane can expect an annual earning boost of \$7,900 compared to their high-school graduated counterparts.
- For every dollar invested in our college, our students see an upswing of \$4.80 in earnings, translating to an annual return of 18.4%
- LCC supports close to 8,900 jobs, which translates to 1 in every 24 jobs within the LCC Service District.
- Taxpayers enjoy an incremental \$1.10 in added tax revenue owing to students' escalated lifetime earnings and business upsurge.

# Our Partnership

- Boost Student Voter Participation Rate
- Voter Education
- Board Budget Committee
- Bond Oversight Committee

**YOUR VOTE IS YOUR VOICE**

Thank You.
