## PLANNING A VOTER REGISTRATION DRIVE

- Make sure you have supplies ready. (Voter registration cards can be picked up from your local Election Office, but they are limiting the number for each organization.)
- Work with at least one other person.
- Have a connected device with you.
- Start with, “Are registered to vote in Oregon?” Follow up with, “Do you need to update your registration?”
- Try to keep a count of the people you talk to.
- Definitely keep track of the number of registrations--online, paper, and the number of registration cards you give out. (Important for grant reports and renewals)
- Have LWV membership information available!
